

Introduction into the I.M.I (**Institute of the Motor Industry**)

The I.M.I is the world's largest provider of automotive training and development.

It has a network of over 600 centres, which we at the Elland are part of through our Skills Centre which is located at Lenton Drive.

Over 250 qualifications available, from Apprenticeships to managerial qualifications.

The I.M.I has a wide variety of customers from all over the world. The I.M.I is a truly international organisation which spans across continents.

They have a close working relationship with leading automotive brands (such as Ford, Jaguar, Honda, Halfords etc.).

The I.M.I continually talks and consults the government of motor related issues and when required speaks on behalf of the motor trade.

The I.M.I statement is:

"We believe that the development and Facilitation of professional registration is critical to personal and business success"

"We exist to make this happen"
