THE ELLAND ACADEMY

Who Are We?

The Elland Academy is an Alternative Provision Free School catering for schools and academies across Leeds, Wakefield and Kirklees. At the Elland, the child is at the centre of everything we do. We offer a broad and balanced curriculum that supports the various needs of the learners that come to us. Our learning is highly personalised to match student needs and is supported by a specialist team of staff to cater for learners aged 4-19 years. Our academy is a welcoming, safe and caring environment that successfully nurtures the needs of every member of its community. We aim to support our students to feel valued and enabled to make positive choices regarding their learning and interactions with others. We are driven by our values of respect for all, high aspirations and providing positive experiences to ensure success for all our young people and to transition them into life as responsible members of society. At the Elland, we believe all students can achieve.
