There are some very simple and practical steps you can take to support your child.

- Talk to them about their current educational attainment and estimated grades and encourage them to aim high (the skills shortages of the future will be in higher level jobs)
- Discuss where they want to be and research how to get there (lots of great resources in the Academy and on the internet)
- Use the links on the academy website www.ellandacademy.org.uk/careers
- Encourage them to seek out the advice and experiences they need to help them achieve their goals
- Help them with the steps they need to take

Together with a range of career professionals, businesses and training providers we will support your son's/daughter's career development in a number of ways including:

- Activities and events such as employability days
- Access to careers advisers in a variety of ways including individual meetings, drop-in sessions, enrichment activities, parents and option evenings and on results days
