

4th March 2022

Dear Parent/Carer

I wish to provide you with an update in respect of the recent damage to the school roof and my decision to close the Elland Academy site.

As you will appreciate the recent bad weather has caused damage on both a local and national scale and as a result roofing companies are working harder than usual to rectify any issues associated with the storms. Currently we do not have a date for work to start on the roof. Therefore The Elland Academy site remains closed.

Currently we are working towards offering face-to-face teaching for certain students to compliment our online teaching offer. Details of this will be communicated on Monday via your child's PLA.

Myself and The Elland Academy appreciate that this is a difficult situation for you and your child. Should you require any support or advice then please contact your child's PLA in the first instance.

The following staff are also available to support you.

Linda Scott	Safeguarding Lead
Simone King	Deputy Safeguarding Lead

Please do not hesitate to contact me should you want any further clarification or advice.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Ed Staton', is written over a faint, light-colored signature line.
