Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process are documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ *General Regulations for Approved Centres* booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments. (GR, section 1)

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The headteacher/Principal on site (the head of centre) may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. (GR, section 2)

It is the responsibility of the head of centre to ensure that all staff comply with the instructions in the (*Instructions for conducting examinations*) booklet. Failure to do so may constitute malpractice as defined in the JCQ publication *Suspected Malpractice: Policies and Procedures, 1 September 2023 to 31 August 2024*: <https://www.jcq.org.uk/exams-office/malpractice> (ICE Introduction)

The head of centre:

- Understands the contents, refers to and directs relevant centre staff to annually updated JCQ publications including:
 - [General Regulations for Approved Centres](#) (GR)
 - [Instructions for conducting examinations](#) (ICE)
 - [Access Arrangements and Reasonable Adjustments](#) (AA)
 - [Suspected Malpractice - Policies and Procedures](#) (SM)
 - [Instructions for conducting non-examination assessments](#) (NEA) (and the instructions for conducting coursework)
 - [A guide to the special consideration process](#) (SC)
- Ensures the centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements and/or practical assessments
- Where/if using a third party to deliver any part of a qualification (including its assessments) at the centre:
 - maintains oversight of, and responsibility for, the delivery of the qualification in accordance with JCQ regulations and awarding body requirements
 - has in place a written agreement with the third party to ensure there is a shared understanding of the arrangement and will manage the risk of failure by the third party to deliver the expected service

- ensures that a copy of the written agreement is available for inspection if requested by the awarding body
- Ensures that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service, understanding that failure to do so could result in penalties (see **National Centre Number Register and other information requirements** section)
- Ensures that the centre promptly reports any incidents to the relevant awarding body/bodies which might compromise any aspect of assessment delivery, such as a cyber-attack
- Ensures other relevant centre staff where they may be involved in the receipt and dispatch of confidential exam materials are briefed on the requirements for maintaining the integrity and confidentiality of the exam materials
- Ensures members of centre staff do not forward emails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications
- Ensures members of centre staff do not advise parents/candidates to contact awarding bodies/JCQ directly nor provide them with addresses/email addresses of awarding body examining/assessment personnel or JCQ personnel

Recruitment, selection, training and support

The head of centre:

- Retains a workforce of an appropriate size and competence, including sufficient managerial and other resource, to undertake the delivery of the qualification as required by an awarding body. This includes taking reasonable steps to ensure occupational competence where this is required for the assessment of specific qualifications
- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components
- Enables the relevant senior leader(s), the examinations officer (EO) and the ALS lead/SENCo to receive appropriate training and support in order to facilitate the effective delivery of examinations and assessments within the centre, and ensure compliance with the published JCQ regulations
- Appoints an ALS lead/SENCo who will determine appropriate arrangements for candidates with learning difficulties and disabilities
- Ensures that the ALS lead/SENCo has sufficient time to both manage the access arrangements process within the centre and familiarise him/herself with the JCQ publication *Access Arrangements and Reasonable Adjustments*
- Ensures that the examinations officer has sufficient time to perform their role and familiarise him/herself with relevant awarding body and JCQ documentation.
- Ensures that the examinations officer is line managed and actively supported by a member of the senior leadership team who has a good working knowledge of the examination system

External and internal governance arrangements

The head of centre:

- Has in place a written escalation process should the head of centre, or a member of the senior leadership team with oversight of examination administration, be absent
- Has in place a member of the senior leadership team who will provide effective support and supervision of the examinations officer to ensure that the integrity and security of examinations and assessments is maintained throughout an examination series

- Ensures centre staff undertake key tasks within the exams process and meet internal deadlines set by the EO

This process confirms the main duties and responsibilities to be escalated.

This process also supports the Academy being able to confirm to an awarding body the external governance arrangements so that the awarding body has confidence in the integrity of centre activities such as the delivery of qualifications and the conducting of examinations and assessments.

After examinations (Results and Post-Results)

As a contingency to enable the prompt handling of urgent issues only, the centre responds to the awarding bodies' request for information regarding the contact details of a senior member of staff (which might include a personal mobile number and/or email address). This will ensure that any urgent matters which might adversely affect candidates which arise outside of term time, and which potentially put qualification awards at risk, can be addressed by awarding bodies with the support of that member of staff. The head of centre will ensure that this member of staff has the necessary authority to mobilise resources to provide this support, which might include resolving issues within the centre itself (GR 5.3)

Policies/procedures

Malpractice Policy

Purpose of the policy

The purpose of this policy is to confirm how the academy manages malpractice under normal delivery arrangements in accordance with the regulations.

General principles

In accordance with the regulations the academy will:

- Take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations have taken place (GR 5.11)
- Inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation (GR 5.11)
- As required by an awarding body, gather evidence of any instances of alleged or suspected malpractice (which includes maladministration) in
- accordance with the JCQ publication *Suspected malpractice - Policies and procedures* and provide such information and advice as the
- awarding body may reasonably require (GR 5.11)

Candidate malpractice

- 'Candidate malpractice' means malpractice by a candidate in connection with any examination or assessment, including the preparation and authentication of any controlled assessments, coursework or non-examination assessments, the presentation of any practical work, the compilation of portfolios of assessment evidence and the writing of any examination paper (SMPP 2)

Centre staff malpractice

- 'Centre staff malpractice' means malpractice committed by:
 - a member of staff, contractor (whether employed under a contract of employment or a contract for services) or a volunteer at a centre; or
 - an individual appointed in another capacity by a centre such as an invigilator, a Communication Professional, a Language Modifier, a practical assistant, a prompter, a reader or a scribe (SMPP 2)

Preventing malpractice

The academy has in place:

- robust processes to prevent and identify malpractice, as outlined in section 3.3 of the JCQ publication Suspected Malpractice: Policies and Procedures (SMPP 4.3)
- This includes ensuring that all staff involved in the delivery of assessments and examinations understand the requirements for conducting these as specified in the following JCQ documents and any further awarding body guidance: General Regulations for Approved Centres 2023-2024; Instructions for conducting examinations (ICE) 2023-2024; Instructions for conducting coursework 2023-2024; Instructions for conducting non-examination assessments 2023-2024; Access Arrangements and Reasonable Adjustments 2023-2024; A guide to the special consideration process 2023-2024; Suspected Malpractice: Policies and Procedures 2023- 2024; Plagiarism in Assessments; AI Use in Assessments: Protecting the Integrity of Qualifications; A guide to the awarding bodies' appeals processes 2023-2024 (SMPP 3.3.1)

Students complete the majority of their exams and a large number of other assessments under close staff supervision with limited access to authorised materials and no permitted access to the internet. The delivery of these assessments should be unaffected by developments in AI tools as students must not be able to use such tools when completing these assessments.

- There are some assessments in which access to the internet is permitted in the preparatory, research or production stages. The majority of these assessments will be Non-Examined Assessments (NEAs), coursework and internal assessments for General Qualifications (GQs) and Vocational & Technical Qualifications (VTQs). JCQ's guidance which is designed to help students and teachers to complete NEAs, coursework and other internal assessments successfully is followed in relation to these assessments.
- Students are informed that all work must be demonstrably their own

Identification and reporting of malpractice

- The head of centre will notify the appropriate awarding body immediately of all alleged, suspected or actual incidents of malpractice, using the appropriate forms, and will conduct any investigation and gathering of information in accordance with the requirements of the JCQ publication Suspected Malpractice: Policies and Procedures (SMPP4.1.3)
- Form JCQ/M1 will be used to notify an awarding body of an incident of candidate malpractice. Form JCQ/M2 will be used to notify an awarding body of an incident of suspected staff malpractice/maladministration (SMPP 4.4, 4.6)
- Malpractice by a candidate discovered in a controlled assessment, coursework or non- examination assessment component prior to the candidate signing the declaration of authentication need not be reported to the awarding body but will be dealt with in accordance with the centre's internal procedures. The only exception to this is where the awarding body's confidential assessment material has potentially been breached. The breach will be reported to the awarding body immediately (SMPP 4.5)
- If, in the view of the investigator, there is sufficient evidence to implicate an individual in malpractice, that individual (a candidate or a member of staff) will be informed of the rights of accused individuals (SMPP 5.32)

- Once the information gathering has concluded, the head of centre (or other appointed information-gatherer) will submit a written report summarising the case to the relevant awarding body, accompanied by the information obtained during the course of their enquiries (SMPP 5.34)
- Form JCQ/M1 will be used when reporting candidate cases; for centre staff, form JCQ/M3 will be used (SMPP 5.36)
- The awarding body will decide on the basis of the report, and any supporting documentation, whether there is evidence of malpractice and if any further investigation is required. The head of centre will be informed accordingly (SMPP 5.39)

Communicating malpractice decisions

Once a decision has been made, it will be communicated in writing to the head of centre as soon as possible. The head of centre will communicate the decision to the individuals concerned and pass on details of any sanctions and action in cases where this is indicated. The head of centre will also inform the individuals if they have the right to appeal (SMPP 11.1)

Appeals against decisions made in cases of malpractice

The academy will:

- Provide the individual with information on the process for submitting an appeal, where relevant
- Refer to further information and follow the process provided in the JCQ publication A guide to the awarding bodies' appeals processes

Exam Contingency Plan

All centres must have a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

 See the **Contingency Plan** in the **Exam Policies folder**.

Internal Appeals Procedure

Ensures an internal appeals procedure is in place and drawn to the attention of candidates and (where relevant) their parents/carers. The procedure covers appeals regarding internal assessment decisions, post-result services and appeals, and centre decisions relating to access arrangements and special consideration.

 See the **Internal Appeals Policy** in the **Exam Policies folder**.

Complaints Policy (Exams)

Ensures a complaints policy covering general complaints regarding the centre's delivery or administration of a qualification is in place and drawn to the attention of candidates and their parents/carers.

 See the **Complaints Policy** in the **Exam Policies folder**.

Child Protection/Safeguarding Policy (Exams)

Ensures the centre has a child protection/safeguarding policy in place, including Disclosure and Barring Service (DBS) clearance, which satisfies current legislative requirements.

- Ensures a **written process** is in place to not only check the qualification(s) of the appointed assessor(s) but that the correct procedures are followed as in Chapter 7 of the JCQ publication Access Arrangements and Reasonable Adjustments

Written process

- Evidence of the assessor's qualification(s) is obtained at the point of engagement/employment and prior to the assessor undertaking any assessment of a candidate
- The assessor(s) will be asked to provide proof of their qualification(s) in the form of their certificate, confirming completion of the requisite level of course as detailed in the JCQ Access Arrangements and Reasonable Adjustments document, Chapter 7.3. (An Access Arrangements assessor must have successfully completed a post graduate course at or equivalent to Level 7, including at least 100 hours relating to individual specialist assessment).
- Once the Head of centre is confident that all conditions have been met, this evidence will be maintained on file by the SENCo in the **Access Arrangements folder of evidence** for inspection purposes and be presented to the JCQ Centre Inspector by the SENCo. ([AA](#), section 7.3)

- Works with the EO to ensure invigilators and those acting as a facilitator fully understand the respective role and what is and what is not permissible in the exam room
- Liaises with the relevant member of the senior leadership team on the centre's policy on the use of word processors in examinations

Word Processor Policy

Purpose of the policy

- Ensures criteria for candidates granted separate invigilation is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms.
- The term 'word processor' is used to describe for example, the use of a computer, laptop or tablet.

The use of a word processor

The centre will:

- allocate the use of a word processor to a candidate where it is their normal way of working within the centre (AA 5.8.1)
- award the use of a word processor to a candidate if it is appropriate to their needs
- Needs may include:
 - a learning difficulty which has a substantial and long term adverse effect on his/her ability to write legibly
 - a medical condition
 - a physical disability
 - a sensory impairment
 - planning and organisational problems when writing by hand
 - poor handwriting (AA 5.8.4)
- only permit the use of a word processor where the integrity of the assessment can be maintained (AA 4.2.1)
- not grant the use of a word processor where it will compromise the assessment objectives of the specification in question (AA 4.2.2)
- consider on a subject-by-subject basis if the candidate will need to use a word processor in each specification (AA 4.2.3)
- consider the needs of the candidate at the start of the candidate's course leading to a qualification based on evidence gathered that firmly establishes the candidate's needs and 'normal way of working' in the classroom, internal tests/exams, mock exams etc. and confirm arrangements in place before the candidate takes an exam or assessment (AA 4.2.4)
- provide access to word processors to candidates in non-examination assessment components as standard practice unless prohibited by the specification (AA 5.8.2)

The centre will not:

- simply grant the use of a word processor to a candidate because he/she prefers to type rather than write or can work faster on a keyboard, or because he/she uses a laptop at home (AA 5.8.4)

Exceptions

The only exceptions to the above where the use of a word processor would be considered for a candidate would be:

- in the event of a temporary injury or impairment, or a diagnosis of a disability or manifestation of an impairment relating to an existing disability arising after the start of the course (AA 4.2.4)
- where a subject within the curriculum is delivered electronically and the centre provides word processors to all candidates (AA 5.8.4)

Arrangements at the time of the assessment for the use of a word processor

A candidate using a word processor is accommodated [detail your centre's arrangements e.g. in main venue with the main cohort; in a different room etc.]

In compliance with the regulations the centre:

- provides a word processor with the spelling and grammar check facility/predictive text disabled (switched off) unless an awarding body's specification says otherwise (ICE 14.20)
- (where a candidate is to be seated with the main cohort without the use of a power point) checks the battery capacity of the word processor before the candidate's exam to ensure that the battery is sufficiently charged for the entire duration of the exam (ICE 14.21)
- ensures the candidate is reminded to ensure that his/her centre number, candidate number and the unit/component code appear on each page as a header or footer e.g. 12345/8001 – 6391/01 (ICE 14.22)

If a candidate is using the software application Notepad or Wordpad these do not allow for the insertion of a header or footer. In such circumstances once the candidate has completed the examination and printed off his/her typed script, he/she is instructed to handwrite their details as a header or footer. The candidate is supervised throughout this process to ensure that he/she is solely performing this task and not re-reading their answers or amending their work in any way.

- ensures the candidate understands that each page of the typed script must be numbered, e.g. page 1 of 6 (ICE 14.23)
- ensures the candidate is reminded to save his/her work at regular intervals. (or where possible, an IT technician will set up 'autosave' on each laptop/tablet)
- instructs the candidate to use a minimum of 12pt font and double spacing in order to assist examiners when marking (ICE 14.24)

(ICE 14.25)

The centre will ensure the word processor:

- is only used in a way that ensures a candidate's script is produced under secure conditions
- is in good working order at the time of the exam
- is accommodated in such a way that other candidates are not disturbed and cannot read the screen
- is used as a typewriter, not as a database, although standard formatting software is acceptable and is not connected to an intranet or any other means of communication
- is cleared of any previously stored data
- does not give the candidate access to other applications such as a calculator (where prohibited in the examination), spreadsheets etc.
- does not include graphic packages or computer aided design software unless permission has been given to use these
- does not have any predictive text software or an automatic spelling and grammar check enabled unless the candidate has been permitted a scribe or is using speech recognition technology (a scribe cover sheet must be completed), or the awarding body's specification permits the use of automatic spell checking
- does not include speech recognition technology unless the candidate has permission to use a scribe or relevant software
- is not used on the candidate's behalf by a third party unless the candidate has permission to use a scribe

Portable storage medium

The centre will ensure that any portable storage medium (e.g. a memory stick) used

- is provided by the centre
- is cleared of any previously stored data

Printing the script after the exam is over

The centre will ensure:

- the word processor is either connected to a printer so that a script can be printed off, or have the facility to print from a portable storage medium

- the candidate is present to verify that the work printed is his or her own
- a word processed script is attached to any answer booklet which contains some of the answers
- a word processor cover sheet (Form 4) is completed and included with the candidate's typed script (according to the relevant awarding body's instructions)

Alternative Rooming Arrangements

To award alternative rooming arrangements:

- The SENCo, or the relevant member of the senior leadership team, must be satisfied that the candidate's substantial and long-term impairment has an adverse effect when they sit internal tests and mock examinations in the main examination hall/room.
- The candidate's difficulties must be well established. They must be known to relevant staff – Form Tutor, Head of Year and those with pastoral responsibilities.
- Alternative rooming arrangements must reflect the candidate's current and normal way of working.

Senior leaders, Teaching staff

- Support the ALS lead/SENCo in determining and implementing appropriate access arrangements/reasonable adjustments

- Ensures this second pair of eyes check is recorded
- Where allowed by the awarding body, only releases exam papers and materials to teaching departments for teaching and learning purposes after the published finishing time of the exam, or until any timetable clash candidates have completed the exam

Emergency Evacuation

Purpose of the policy

- This policy details how [insert centre name] deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

When is an emergency evacuation required?

- An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.
- In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.
- As each incident may be different, advice will be sought from the relevant awarding body as soon as it is safe to do so, particularly where the centre is concerned about the security of the examination(s). (ICE 25.6)
- Where candidates are unable to return to the building to complete the examination, the relevant awarding body will be contacted immediately for advice. The awarding bodies have procedures in place to ensure that candidates are not disadvantaged where they are unable to complete the examination due to circumstances beyond their control. (ICE 25.6)

Special consideration

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control at the time of the assessment. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment. (SC 1)

Special consideration can go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their examinations. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for an examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the examination. (SC 1)

Eligibility for special consideration

- Candidates will be eligible for special consideration if they have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control (SC 2.1)
- Special consideration must be applied for at the time of the assessment (SC 2)
- Candidates will not be eligible for special consideration if preparation for, or performance in the examination is affected by the reasons detailed in the JCQ publication A guide to the special consideration process (SC 2.3)

Unauthorised items

All unauthorised items are placed in the candidate's bag inside Student Services.

Review of Results (ROR) Procedures and Appeals Policy

This procedure confirms the academy's compliance with JCQ's General Regulations for Approved Centres 2023-2024 (section 5.13)

- The centre will will:
 - have available for inspection purposes and draw to the attention of candidates and their parents/carers, a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking, a review of moderation or an appeal
- Following the issue of results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged should be requested from the Exams Officer.
- Candidates are also made aware of the arrangements for post-results services and the availability of senior members of centre staff immediately after the publication of results, before they sit any exams through the "Guidance for Students and Parents" handbook, which is issued annually to all students in Year 10 and Year 11. They are advised to request further, more detailed information from the Exams Officer

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, post-results services may be considered.

The JCQ post-results services currently available are detailed below.

Reviews of Results (RoRs):

- Service 1 (Clerical re-check)
This is the only service that can be requested for objective tests (multiple choice tests)
- Service 2 (Review of marking)
- Priority Service 2 (Review of marking)
This service is only available for externally assessed components of GCE A-level specifications (an individual awarding body may also offer this priority service for other qualifications)
- Service 3 (Review of moderation)
This service is not available to an individual candidate

Access to Scripts (ATS):

- Copies of scripts to support reviews of marking
- Copies of scripts to support teaching and learning

Where a concern is expressed that a particular result may not be accurate, the centre will look at the marks awarded for each component part of the qualification alongside any mark schemes, relevant result reports, grade boundary information etc. when made available by the awarding body to determine if the centre supports any concerns.

For written components that contributed to the final result, the centre will:

- Where a place a university or college is at risk, consider supporting a request for a Priority Service 2 review of marking
- In all other instances, consider accessing the script by:
 - (where the service is made available by the awarding body) requesting a priority copy of the candidate's script to support a review of marking by the awarding body deadline or
 - where the option is made available by the awarding body) viewing the candidate's marked script online to consider if requesting a review of marking is appropriate
- Collect informed written consent/permission from the candidate to access his/her script

- On access to the script, consider if it is felt that the agreed mark scheme has been applied correctly in the original marking and if the centre considers there are any errors in the marking
- Support a request for the appropriate RoR service (clerical re-check or review of marking) if any error is identified]
- Collect informed written consent from the candidate to request the RoR service before the request is submitted
- Where relevant, advise an affected candidate to inform any third party (such as a university or college) that a review of marking has been submitted to an awarding body]

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for a RoR service 1 or 2 (including priority service 2) is submitted to the awarding body. Consent is required to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded. Candidate consent must only be collected after the publication of results.

Upon receipt of results, students will be issued with a form requesting their permission to access a copy of given scripts should the Faculty Leader deem it appropriate to check for anomalies, to inform a decision to subsequently make a request for a ROR, or to use for teaching and learning purposes. The completed forms will be returned to the Exams Officer, together with a list of the papers required by the Faculty Leader.

For any moderated components that contributed to the final result, the centre will:

- Confirm that a review of moderation cannot be undertaken on the work of an individual candidate or the work of candidates not in the original sample submitted for moderation
- Consult the moderator's report/feedback to identify any issues raised
- Determine if the centre's internally assessed marks have been accepted without change by the awarding body – if this is the case, a RoR service 3 (Review of moderation) will not be available
- Determine if there are any grounds to submit a request for a review of moderation for the work of all candidates in the original sample]

If a teacher, Faculty Leader or subject Director has a concern about a particular examination result, they should make a request for one of the post-results options via the Principal and the Exams Officer, completing the **request form**.

If a student raises a concern about a particular examination result

- The student should contact the Exams Officer and the subject teacher as soon as possible (but at least FIVE working days before the published deadline for RORs) in person to discuss the mark/grade and the options available to query the mark/grade and the costs involved.
- Students will be made aware that RORs can result in the marks/grades being raised, confirmed or lowered. Students must **sign a consent form** to confirm that they understand the consequence of an ROR. **JCQ Candidate Consent forms** will be issued by the Exams Officer.
- The subject teacher will review the student's marks/grades and discuss with the Faculty Leader to agree on the appropriate action, taking into account the breakdown of marks, the grade boundaries and the student's predicted grades. **NO FEEDBACK TO BE GIVEN TO THE STUDENT AT THIS POINT.**

If the Department/Centre agrees to support the ROR

- The Department will pass a request in the form of a completed **Check form** to be completed by the Department to support an ROR to the Principal before the published deadline for RORs.
- Any decision will be agreed by the Principal.
- The cost of the enquiry will be met by the Academy.

- This will be checked, signed and passed to the Exams Officer to action, who will also contact the student to discuss potential outcomes and to seek their permission to proceed by means of their signature on the **JCQ Candidate Consent form**.
- The Exams Officer will be the only member of staff to communicate this information to the student.

If the Department/Centre does not agree to support the ROR

- The decision not to support a request will be communicated to the student by the Exams Officer only.
- A student may appeal against the decision not to support an ROR by completing the **Internal Appeals Form**.
- Appeals should be made in writing to the Exams Officer, at least 5 working days before the published internal deadline for RORs. The appeal should state, in detail, the reason(s) for the appeal. This appeal should be signed, dated and should include the daytime contact telephone number and email address (if possible) of the student, parent or carer.
- The appeal information will be reviewed by the Exams Officer and a member of the Senior Leadership Team who has not been involved in the original decision not to support the ROR.
- The outcome of the appeal will be communicated by the Exams Officer either by telephone, email or 1st class letter post as appropriate within 24 hours of being made. The decision is final.

Where a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking or a review of moderation, following full discussion with the students

- For a review of marking (RoR priority service 2), advise the candidate he/she may request the review by providing informed written consent (and the required fee in cash) for this service to the centre by the deadline set by the centre
- For a review of marking (RoR service 1 or 2), first advise the candidate to access a copy of his/her script (if this has not already been done) to support a review of marking by providing written permission for the centre to access the script (and any required fee in cash for this service) for the centre to submit this request
- After accessing the script to consider the marking, inform the candidate that if a request for a review of marking (RoR service 1 or 2) is required, this must be submitted by the deadline set by the centre by providing informed written consent (and the required fee in cash for this service) for the centre to submit this request
- Inform the candidate that a review of moderation (RoR service 3) cannot be requested for the work of an individual candidate or the work of a candidate not in the original sample]

Requests must be made in person to the Exams Officer before the published internal deadline for RORs. If the enquiry is successful, the fee will be refunded to the student.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications Post-Results Services and JCQ Appeals Booklet (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the RoR outcome, but the candidate (or his/her parent/carers) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the JCQ Appeals Booklet. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

If the candidate wishes to appeal the outcome, the **Internal Appeals Form** should be completed and submitted to the centre within 7 calendar days of the notification of the outcome of the RoR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required 30 calendar days of the awarding body issuing the outcome of the review of results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by

the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

☐ See the **Review of Results (ROR) Procedures and Appeals Forms** in the **Exam Policies folder**.

Certificates

Certificates are provided to centres by awarding bodies after results have been confirmed.

Candidates

- May arrange for certificates to be collected on their behalf by providing the EO with written or email permission/authorisation; authorised persons must provide ID evidence on collection of certificates

Retention of records: roles and responsibilities

Exams officer

- Keeps records as required by JCQ and awarding bodies for the required period
- Keeps records as required by the centre's records management policy
- Provides an exams archiving policy that identifies information held, retention period and method of disposal

☐ See the **Delta Personal Data Retention Policy** in the **Exam Policies folder**.
